

Classified Ads and Rental Resales Removed from Residents Alliance Website

As of February 8, 2022, the Classified Ads and Rental/Resales Ads have been removed from the Residents Alliance Website since they were not password protected.

The Classified Ads and Rental/Resales will still be distributed on the first of the month via email to all PP residents.

We are working on getting the Classified ads/Rental/Resales on a password protected website, but until that is accomplished, we cannot update nor post the Classified Ads/Rental/Resales on a daily basis.
